HonorsCourseReport

Dr. Peter Bradley

October 13, 2015

This is an R Markdown document. Markdown is a simple formatting syntax for authoring HTML, PDF, and MS Word documents. For more details on using R Markdown see http://rmarkdown.rstudio.com.

When you click the **Knit** button a document will be generated that includes both content as well as the output of any embedded R code chunks within the document. You can embed an R code chunk like this:

```r
source("../HonorsDataLibrary/studentConn.R")
source("../HonorsDataLibrary/courseDescriptivesLibrary.R")
tradgeneds <- getCourseDescriptives()
```

```
## Loading required package: DBI
```

```
## Loading required package: rJava
```
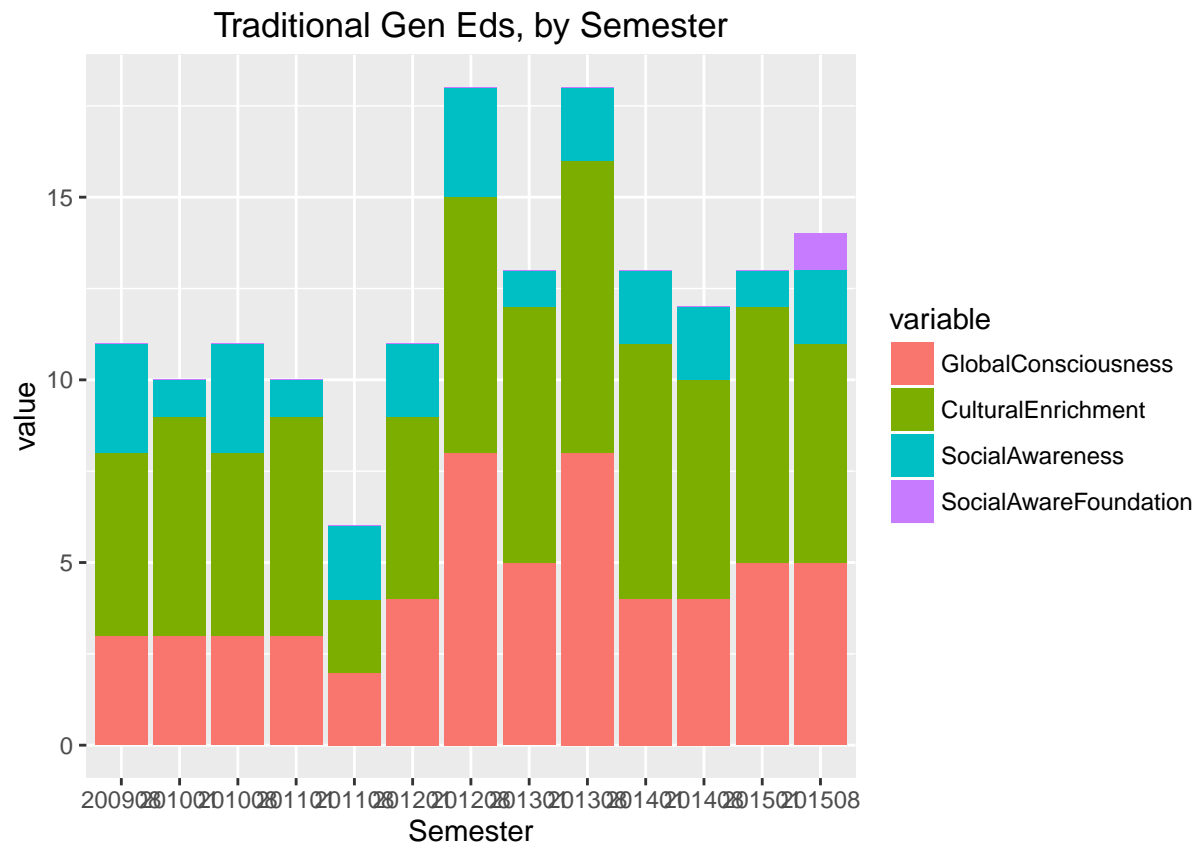

```
## Loading required package: ggplot2
```

```
## Loading required package: xtable
```

```
## Select * from HonorsCourses
```

General Education Distribution

Honors courses meet general education requirements for Ferris. The following chart includes the number of courses offered each semester by general education requirement from 2009-2015.

Traditional Gen Eds, by Semester

Credit hours generated by semester:

Course Efficiency

Efficiency of courses by semester, by general education and Honors experience
